

**November 2, 2017**

**Dear Sweetwater Drama Teachers,**

**We are looking forward to hosting you and your students at our District Scene and Monologue Festival on Saturday, January 27, 2018 at Chula Vista High School! Below is our schedule for the day. In the morning, we'll open the day with a performance from a professional in the Jack Tygett Performing Arts Center. Then, we'll hold the monologue and scene competition rounds with a workshop by a professional opposite those sessions in various rooms around campus. (So, for anyone not competing in the monologue competition, they will attend a workshop...the same for scenes).**

**In the afternoon, we'll hold the final round of competition with all competitors performing in the Jack Tygett Performing Arts Center.**

**We've also attached the registration form. Please fill out one form per student. We encourage you to bring a group; however, students may attend without a teacher. We're not allowing observers in the competition rooms, so students will either go to the green room to have a discussion with college and other high school drama students, or gather with you in a designated area before or after they compete.**

**If you have any questions, please contact either:**
